

Environmental  
Department  
Employee of the  
Month  
OCTOBER  
**Tim Lindsay -**

Tim works as the Wastewater Inspector/Operator for the City of Logan Environmental Department. He helps manage and run the Wastewater Treatment Facility and Wastewater Wetlands for the City of Logan. Tim is very knowledgeable with his job and his hard work and dedication has helped make the Wastewater Treatment Facility one of the best around. Tim is great to work with; he is always helpful and willing to help others both in and out of the department. He challenges himself to increase his knowledge and abilities to be ever better at his responsibilities and is always going the extra mile to make sure everything gets done. Tim has a dedication to the City and the Department that goes without saying. All coworkers trust and admire him for his integrity, work ethic and appreciate his great sense of humor and friendly smile that helps to brighten anyone's day. Thanks Tim for your great team effort.
