**Anbesse Hailemariam**

Anbesse has been with the Environmental Department of the City of Logan since 2006 and has been over Building

Custodian for the last year and a half. During that time Anbesse has gone to great lengths to learn his responsibilities and take classes to learn all he can to be able to perform his responsibilities to the best of his abilities. He keeps the garage clean and organized and is always on the look out to make improvements where ever needed. He is handy at repairs and keeping things running smoothly. Anbesse works hard to keep the grounds safe in the winter and cleaned up and planted nice in the summer. Anbesse is always willing to help co-workers where ever and when ever needed. He has a very pleasant personality and positive attitude. His co-workers appreciate all that he does to support the Department and them as individuals. Congratulations Anbesse.
