

# **Environmental Department**

**November, 2010**

**Employee of the Month**

**Julie Hatch**

Julie has been with the Environmental Department for the past nine years serving the City and County as Environmental Billing Editor. Julie is diligent and dedicated in all she does. She willingly and

pleasantly offers excellent customer service on a daily basis. Her excellent accounting practices and knowledge of procedures has been of great benefit to the department and to the customers she serves. Even with her heavy work load she is willing to accept special assignments as needed and always goes the extra mile to meet the needs and goals of the department. Julie's responsibilities are vast extending to landfill, routing and other department billing issues. She will always take the time to help fellow employees learn and implement proper reports and tracking so more efficient billing practices can be accomplished. Julie's meticulous work ethic is a great asset to the department, we are happy to have her on our team. Congratulations Julie.
