

Environmental Department

Employee of the Month
February 2011

RON NELSON

Ron is a Heavy Equipment Operator at the City of Logan Landfill. Ron came to us with vast experience in heavy equipment operation and has been a great asset to the

department. He jumped right in to learn his assignments and responsibilities going the extra mile in all he does. Ron has a great work ethic and has a very positive outlook on everything he is asked to do. Ron is very friendly to both customers and fellow employees. He is always willing to help out where asked, whether it is the scale house, hazardous waste or at the face, Ron is knowledgeable and capable of following through, whatever the task. His co-workers feel that his positive, cheerful attitude is something to emulate and everyone enjoys being around him. Congratulations, Ron.
