

## **TRANSFER STATION, ADMINISTRATION OFFICES, FLEET GARAGE, AND EQUIPMENT MAINTENANCE SHOP**

The City of Logan Environmental Department requested proposals for professional architectural services for the design of the Transfer Station, Administration Offices, Fleet Garage, and Equipment Maintenance Shop.

A total of thirteen proposals were received. The quality of proposals received was exceptional and after detailed review of each submittal, the selection committee selected **Nichols, Naylor Architects, Inc. of Salt Lake City** to provide the requested services.

Our contact at Nichols, Naylor Architects, Inc. is Russell Naylor.
