2013 FISCAL YEAR IN REVIEW

ADMINISTRATION

- 21 training courses completed by staff
- Types of certifications possessed by staff include:
 - First Aid/AED/CPR
 - Backflow Technician
 - Flagger
 - Forklift Operator
 - Pesticide Applicator
 - Certified Playground Safety Inspector (CPSI)
- 10,926 Freedom Fire Independence Celebration tickets sold
- Held a successful Pioneer Day Celebration and Parade
- Produced the Logan City Community Booth for the Cache County Fair
- Participated in the Northern Utah Hispanic Health Fair held at Willow Park
- Completed a Department Citizen Satisfaction Survey
 - 88.8% of citizens are satisfied with services offered
 - 30.4% of citizens will use City owned trails on a monthly basis over the next 3 years
 - 44.3% of citizens will use City owned parks on a weekly basis over the next 3 years
 - 54.9% hear about services offered by word of mouth
 - 34.5% hear about services offered through the Leisure Guide
 - 8.3% hear about services offered through social media
 - 93.5% of families have used city-owned parks in the past
 - 73.8% of families have used the Logan Aquatic Center in the past
- Zero accidents or incidents for the months of December and March
- 486 Department items appeared in Herald Journal newspaper
- Participated in Utah State University's Health and Wellness Fair
- Staff participated in the following project planning
 - Utah State University Recreation and Open Space Master Plan (USU) (2013)
 - National Register of Historic Places MOA planning (U.S. Forest Service) (2013)
 - Cache Water Restoration Project (City of Logan & Cache County) (2012)
 - Logan Canyon Gateway Trail (Cache County) (2012)
 - 200 East Minor Arterial, Logan City (UDOT) (2012)
 - Logan River Golf Course Riverbank Restoration Project (FEMA) (2011)

CEMETERY

- Sprayed 306 pine trees for Tussock Moth at a cost of \$20 per tree
- \$105,842 total burial revenue
- 92 grave spaces sold
- Facilitated 202 burials

Cache County Fair Logan Community Booth

- Volunteers completed the painting of the exterior fence, raked pine needles, and helped with spring and Memorial Day clean up
- Patched roads with hot mix asphalt
- Cleaned up leaves
- Replaced electric meter
- Serviced riding mowers, weed eaters, blowers, and push mowers
- Filled 85 bags with pine cones and needles
- Trimmed pine trees
- Renumbered block numbers on Cemetery roads
- Sprayed for weeds

WILLOW PARK ZOO

- Replaced old coyote with two youngsters
- 14,608 observed visitors the month of July
- 497 participants in seven Story Time sessions
- 37 participants in 11 day camps
- Remodeled monkey windows
- Raccoons placed in exhibit
- Enjoyed a successful Boo at the Zoo

PARKS AND TRAILS

- Installed benches in several parks
- Installed swing set, trees, and sign at Jones Park
- Installed reservation boards at Central and Willow West Park
- Remodeled pavilion at Willow West Park
- Installed pavilion pad extension at Central Park
- Installed sidewalk at Quail West Park
- Held a National Trails Day ribbon cutting for the Logan Canyon Gateway Trail
- Upgraded lighting in Lundstrom and Willow Park restrooms

2013 FISCAL YEAR IN REVIEW

Deer Fence Trail Eagle Scout Project

- Installed irrigation at Logan River Golf Course Clubhouse
- Assisted Forestry crew with Christmas lights and decorations on Main Street
- Coordinated Deer Fence Trail, Willow Park, Jones Park, Bridger Park, and Canyon Road Hillside Eagle Scout projects
- Installed concrete for picnic tables at Canyon Entrance Park
- Installed surveillance camera infrastructure
- Built cement blanket storage area in maintenance building
- Remodeled restrooms in the ice rink building
- Spent 160 man hours building the Merlin Olsen Park Ice Rink
- Refurbished park picnic tables
- Replaced all batteries in automatic restroom door locks
- Raked, broomed, and swept all parks, facilities, and trails
- Picked up 97 piles of dog waste along walkways in Hyrum Gibbons Mt. Logan Park during the month of March
- Cart path replacement project at the Logan River Golf Course
- Planted and maintained 15 flower beds
- Installed rail fence along the 10th West Trail to protect the surrounding wetlands

PARKS AND TRAILS

- Seasonal Maintenance Statistics
 - Graffiti removal 24 man hours
\$2,100 in supplies
 - Turf mowing and trimming 160 acres per week
 - Snow removal (trails, bridges) 12.6 miles per event
 - Snow removal (parking lots) 151,247 square feet per event
 - Playgrounds inspected monthly 19
 - Drinking fountains tested 24
 - Backflow preventers tested 117 tested by certified park technicians
28 facilities
 - Restrooms cleaned daily
- Places to practice health and wellness within the Logan City Parks and Trails System
 - 54 parks
 - 15 sports fields
 - 22 miles of trails
 - 19 playgrounds
- Distributed 240 cubic yards of playground wood chips
- Coordinated Harris Nature Park, Canyon Entrance Park, and Soccer Complex volunteer projects
- Re-plumbed irrigation supply for the Logan Library flower beds
- Completed grading, irrigation, and seeding for the 300 South 100 East Greenway Project
- Aerated and over-seeded all sports fields at Mt. Logan Park, Bridgerland Park, and the Soccer Complex after spring soccer
- Repaired fishing piers at Canyon Entrance Park
- Installed power supply at Willow Horseshoe Park for the new Gardeners Market location
- Drained and winterized all restrooms, drinking fountains, and irrigation systems
- Primed all restrooms, drinking fountains, and irrigation systems for spring
- Landscaped and installed irrigation system around the new Logan Light and Power substation

RECREATION

- 720 youth participated in the After School Program
- Of the 69,675 open swim participants at the Logan Aquatic Center, 26,252 participated during the month of July
- 1,925 youth and adults participated in the 2012 summer recreation program season
- 265 registered for Summer Playground
- 15% increase in After School Club participation
- Youth City Council carved 50 pumpkins for a service project
- Participated in the Alliance for Youth "Lights On"
- 685 youth participated in swim lessons during July
- Revised rules for Youth Flag Football based on feedback from coaches
- Replaced all of the signage in the Logan Community Recreation Center

Jones Neighborhood Park

2013 FISCAL YEAR IN REVIEW

RECREATION

- Hosted 56 British Youth Soccer Camp participants
- Services increased due to demand
 - Tee Ball added two playing fields and four teams
 - Youth Indoor Soccer added one court and four teams
 - Sports/Fitness Camp added one session (65 youth)
 - Youth Flag Football added one field and four teams
- Places to practice health and wellness
 - Logan Community Recreation Center
 - 38 Group Fitness Aerobic classes
 - Six tennis courts (two indoor and four outdoor)
 - Logan Aquatic Center
 - 25 Body Factory Fitness Aerobic classes
 - 85 Learn to Swim classes
- Resurfaced two outdoor tennis courts at the Logan Community Recreation Center
- Hosted a Utah Jazz basketball player at the Logan Community Recreation Center
- Hosted 13 teams in the Ice Maker Girls Fast Pitch Softball Tournament
- Conducted customer service training for front desk staff
- Updated operation manuals and Recreation Program Plan
- Replaced three electric hand dryers in the Logan Community Recreation Center locker rooms
- Hosted a Jr. Jazz Youth Basketball coaches meeting and scorekeeper and referee clinics
- Activities scheduled at the Logan Community Recreation Center during the month of December included Jr. Jazz basketball, Logan High basketball, Cache Valley Elite basketball, Rocky Mountain baseball, Cache High rugby club, numerous soccer teams, and four dance recitals
- Two individuals from the Logan Jr. Jazz Youth Basketball program won the Utah Jazz Sportsmanship Award
- Reduced court size for youth Co-Rec Indoor Soccer based on program evaluation feedback

Utah Jazz Sportsmanship Award Winners

- Hired 96 staff to work at the Logan Aquatic Center
- Assumed management of the Logan youth baseball program

LOGAN RIVER GOLF COURSE

- Participation statistics
 - Rounds of golf 47,321
 - Greens fee revenue \$352,141.31
 - Cart revenue \$171,596.34
 - Driving range revenue \$ 70,729.08
 - Shop sales \$221,495.39
 - Total revenue \$815,962.12
- 233 youth participated in three Junior Golf Camps
- Hosted Spillman, Lions Club, and Cache Valley Getaway golf tournaments the during month of August
- Served as a polling location during the elections
- 12 event reservations for the Tournament Room during the month of November
- Held SNAG golf activity at Hillcrest, Wilson, and Ellis elementary schools
- Hosted two ladies golf clinics with 51 participants
- 236 skiers utilized the golf course for cross-country skiing in January
- Constructed ADA window and counter in snack bar area
- Hosted Logan River Amateur golf tournament (most participation in seven years)
- Month of June revenue was one of the highest in 20 years
- Managed ongoing course maintenance including mowing, aerating, weed eating, edging, fertilizing, raking, spraying, watering, repairing, rebuilding, servicing, cleaning, sharpening, and seeding
- Created map of irrigation heads, pipe valves, wire, and controllers
- Managed ongoing goose abatement program
- Constructed a new golf course equipment building

Jr. Golf Camp

LOGAN PARKS AND RECREATION ADVISORY BOARD MEMBERS

Allen Lowe (Chair)
Caroline Shugart (Vice Chair)
Holly Daines (Council Liaison)
Clay Christoffersen Jim Laub
Jordy Guth Eduardo Ortiz
Dan King

Goals accomplished this fiscal year:

- Reviewed design plans for the Canyon Road Trail
- Received staff presentations on proposed design for Canyon Road Park
- Assisted staff on transitioning into the administration and delivery of youth baseball as a City sponsored program
- Heard presentations from USU consultants regarding the University's Recreation and Open Space Master Plan
- Assisted staff with development of an updated trails map
- Discussed future of the Recreation Center, condition of main gym bleachers, and a volleyball pit at Lundstrom Park
- Participated in assisting staff with public input meeting regarding parks and trails on March 28
- Heard presentations on sports turf products, ice rink updates, cross-country skiing at the golf course, and intent to purchase property in southwest Logan for future parks and trail development
- Board played a pivotal role in the promotions and subsequent re-authorization of the county RAPZ Tax program for another term
- Board heard staff project applications proposed for the 2013 RAPZ program

WILLOW PARK ZOO BOARD

Troy Christensen (Chair)
Karl Ward (Council Liaison)
Brian Cannell Dr. Kim Sullivan
Reggie Slocombe Jeff Wangsgard

Goals accomplished this fiscal year:

- Added Silvery Cheeked Hornbills to the collection
- Added activities to increase numbers for What's new at the Zoo
- Increased revenue with ticket booth set up
- Developed a more personal experience for Zoo visitors
- Developed an internship program for USU students
- Developed an official volunteer program

Logan River Golf Course Advisory Board

LOGAN RIVER GOLF COURSE ADVISORY BOARD

Afu Latu (Chair)
Linda Tams (Vice Chair)
Dean Quayle (Council Liaison)
Paige Barnard Danny Russell
Rod Hunter Nate Stokes
Teresa Lundahl Wynn Walker
Troy Miller

The mission of the Logan River Golf Course Advisory Board is to build a customer base for the golf course.

Goals accomplished this fiscal year:

- Increased Men's and Women's Association membership
- Developed up-to-date association lists for distributing golf course information (upcoming tournaments, activities, and changes) to members
- Distributed a survey seeking customer feedback on suggestions or improvements that can be made pertaining to the golf course, clubhouse, or staff
- Increased the number of tournaments hosted by the Logan River Golf Course
- Reduced the goose population
- Trimmed trees
- Improved greens and tee boxes

2013 DEPARTMENT GOALS

ADMINISTRATION

- Get re-accredited in 2014
- Update Comprehensive Plan by March 2014
- Fund a portion of golf cart replacement
- Fund completion of 1000 West Trail
- Fund Canyon Road Trail project
- Maintain operational levels for Recreation Center
- Fund LAC Leisure Pool boiler
- Get trees addressed at Cemetery
- Get Second Dam MOA approved
- Get restroom at Bridger Park done
- Prepare for Cemetery irrigation in FY15
- Prepare for 2014 RAPZ:
 - Matches to City CIP project funding (if approved)
 - Bridger Park Phase III
 - Countryside Village park restroom, basketball court, and volleyball pit
 - Cache Humane Society Dog Park
 - Sumac Park footbridge replacement
- Slide show or video of several Department areas
- Tweet/Facebook health messages
- Create poster holder campaign
- Utilize QR codes in the Leisure Guide
- Email marketing blasts for current customers
- Continue adding to the Department photo base
- Complete CAPRA self-assessment
- Continue using social media to deliver Department messages
- Update marketing plan
- Create aerial photo/map with parks system for temp/seasonal staff
- Digitize Safety Committee history and accident reports

RECREATION

- Continue to decrease incidents and accidents
- Continue to improve maintenance within Department
- Increase safety awareness
- Increase cleanliness of facilities
- Improve training for temp/seasonal employees
- Get batting cages replaced at Logan Community Recreation Center
- Re-plaster Leisure Pool
- Apply for grants to fund additional shade at the Logan Aquatic Center

PARKS

- Find ways to reduce water and other utility costs
- Install chain link fence at Rendezvous Park
- Continue to update rolling stock
- Gateway Park improvements

- Continue to make improvements to the golf course (ADA improvements at concessions area, cart paths)
- Relocate and repair walking trail at Soccer Sports Complex
- 1000 West Trail construction
- Asphalt Bonneville Shoreline Trail link from Lundstrom Park
- Gateway Trail at mouth of Logan Canyon
- Bridger Park improvements
- Work on Canyon Road Parkway
- Work on Second Dam irrigation and landscaping
- Continue with training and certifications
- Work safely and reduce accidents

GOLF COURSE

- Increase participation through communications
- Address costs
- Address risk issues
- Initiate and continue a cart replacement program
- Increase Men's and Women's Association memberships
- Create a budget that will restore and keep the course at its best in order to meet expectations
- Get golf course more playable from the tees to greens
- Improve equipment inventory by maintaining existing and acquiring new and used equipment
- Put strong and proven turf programs in place in order to make course more playable
- Implement goose control program that has been developed
- Start to replace sand and remove some of the out-of-play bunkers on the course
- Maintain the bunkers at a higher level than in previous years
- Replace broken sprinkler heads
- Work on irrigation system, create sound watering programs, work on leveling sprinkler heads
- Work on the trees, remove dead and fallen limbs, designate limb disposal area
- Create a new tri-fold brochure for the Logan River Golf Course
- Update operations plans

CEMETERY

- Develop a broken headstone storage area
- Address bad roads
- Remove two trees by Babyland and trim trees
- Rebuild irrigation pump
- Finish painting the fence on the west side of Cemetery
- Increase part-time budget by \$5,000 to supplement staff schedule
- Update and add to the Cemetery Historical Tour (unique headstones)

ACCOMPLISHED GOALS AT A GLANCE

A large variety of Department goals were accomplished including, but not limited to, the following:

- Completed riverbank restoration work at the Logan River Golf Course
- Completed 2,900 linear feet of Cemetery perimeter fence painting
- Constructed north phase of the Logan River 1000 West Trail
- Completed the development of Jones Park located at 625 North 400 West
- Completed the trail connection from Bonneville Shoreline Trail tunnel at First Dam to Ray Hugie Hydro Park

Golf Course Riverbank Restoration

1000 West Trail

Jones Park

FREQUENTLY ASKED QUESTIONS

WHAT ARE THE ICONS THAT ARE INCLUDED IN PROGRAM DESCRIPTIONS?

In each issue of the Leisure Guide, Logan Parks and Recreation Department staff have identified programs that provide physical, mental, social, and environmental health benefits to individuals and to our community.

Physical Benefits:

- Helps Control Obesity
- Boosts the Immune System
- Increases Life Expectancy
- Diminishes the Risk of Heart Disease

Mental Benefits:

- Aids in Reducing Depression
- Aids in Relieving Stress
- Helps Improve Self-esteem
- Aids in Personal Growth

Social Benefits:

- Strengthens Communities
- Promotes Social Bonds
- Supports Youth

Environmental Benefits:

- Reduce, Reuse, Recycle
- Promotes Conservation and Preservation
- Encourages Environmental Stewardship

Program health benefits are identified by an icon attached to each program description.

HOW CAN I GET ACCESS TO A WATER SOURCE IN THE PARK?

Other than drinking fountains, Logan Parks and Recreation Department does not provide public access to water. You will need to fill water coolers at home and bring them with you to the park.

ARE INFLATABLES ALLOWED IN CITY PARKS?

Only if you pay a \$150 reservation fee, sign a use agreement, and provide proof of insurance. Most inflatable vendors have insurance policies that meet the City of Logan requirements.

WHAT TIME SLOTS ARE AVAILABLE FOR A PARK RESERVATION?

Two time slots are available: 9:00 am-3:00 pm and 3:30 pm to dusk.

CAN I BRING MY DOG TO MY PARK RESERVATION?

No, dogs are not allowed in City park reservation areas.

DOES MY PARK RESERVATION INCLUDE THE VOLLEYBALL PIT AND THE PLAYGROUND?

No, your reservation only includes the pavilion and the tables beneath it. We do not reserve playgrounds or green space. Volleyball pits can be reserved for an additional \$10.

HOW FAR IN ADVANCE CAN I MAKE A PARK RESERVATION?

Parks can be reserved one year in advance, to the date.

WHEN ARE PARK RESTROOMS OPEN?

Restrooms are open from April 15 through October 15. Restrooms are not constructed for cold weather conditions due to added costs.

CAN I RESERVE THE LOGAN RIVER GOLF COURSE CLUBHOUSE FOR AN EVENT?

Yes, the Tournament Room seats up to 160 people and is equipped with all the amenities to house your event or corporate activity. Reservations can be made by contacting Jeff John or Erik Skinner at the Logan River Golf Course Pro Shop at (435) 750-0123.

WHAT TIME DOES MY TEAM PLAY?

Adult and youth schedules are posted on our website at http://www.loganutah.org/parks_and_rec. Schedules are also available at the Logan Community Recreation Center, 195 South 100 West, or by calling the front desk at (435) 716-9250.

HOW DO I FIND OUT IF MY GAME IS CANCELED DUE TO BAD WEATHER?

Cancellation decisions will be made by 4:00 pm on game day. Cancellation information for adults and youth will be posted on our website on the Recreation Division youth or adult home pages. Cancellation information can also be obtained by calling the Logan Community Recreation Center at (435) 716-9250 or for Adult Softball by calling the Quad at (435) 750-9897 for a pre-recorded message that is updated by 4:00 pm as necessary.

WHEN IS ZUMBA?

Logan Parks and Recreation Department offers Group Fitness Aerobics classes at the Logan Community Recreation Center, 195 South 100 West. Class schedules are available on our website at http://www.loganutah.org/parks_and_rec/recreation_division/Aerobics.cfm

TRAIL PROJECTS HIGHLIGHT

LOGAN CANYON GATEWAY TRAIL (4,200 FEET)

This trail was developed as a multi-agency project. It begins at Ray Hugie Hydro Park and goes east in front of the Logan Light and Power Hydro II facilities following the Logan River for 2,500 feet, goes under US 89, crosses the Logan River and connects to the Forest Service River Trail which links to Second Dam and Third Dam.

RAY HUGIE HYDRO PARK/BONNEVILLE SHORELINE TRAIL LINK (520 FEET)

This section of trail begins near the north end of the Bonneville Shoreline Trail tunnel and goes east along the north side of US 89 to the entrance of Ray Hugie Hydro Park. This trail link is constructed with a section of asphalt and a section of concrete. The trail connects to the Logan Canyon Gateway Trail in Ray Hugie Hydro Park.

CANYON ROAD CANAL TRAIL (6,700 FEET)

The existing canal channel will be filled in and a hard surface (preferably asphalt) 8-foot wide trail will be placed over the canal channel fill. The trail begins from its existing origin in the vicinity of 400 North 600 East and goes east in the channel corridor to a clearing along Canyon Road across from the Utah State University Water Research Lab at 1600 East Canyon Road.

CANYON ROAD TRAIL (3,500 FEET)

This is a continuing segment of the Canyon Road Canal Trail. Its purpose is to provide safe access for trail users from 1600 East Canyon Road to the south entrance of the Bonneville Shoreline Trail tunnel at First Dam/Canyon Entrance Park. The trail will be a hard surface and the width may be narrower than 8-feet depending on design results. This section of trail will be on the north side of Canyon Road.

1000 WEST TRAIL (4,200 FEET)

This ten-foot wide concrete trail begins at the 1000 West underpass and goes west near wetlands along the Logan River, crossing two streams, then south between The Springs subdivision and the Logan River Estates subdivision, and ending at 1800 South. The trail narrows to a 5-foot width between the subdivisions to 1800 South. The type of trail surface between subdivisions has not been determined.

LUNDSTROM PARK TRAIL (6,600 and 2,640 FEET)

Following the Logan, Hyde Park, Smithfield Canal reconstruction project from the # 14 tee of the Logan Golf and Country Club Course, the Lundstrom Park Trail goes north past Cedar Heights Drive, 1230 North, connecting to Lundstrom Park and continuing to 1500 North. An additional trail link will be constructed in the near future from 1500 North to 1700 North with a connection to Cedar Heights Drive at the Logan City limit in the Deer Crest subdivision.

Logan Canyon Gateway Trail

Hydro Park/Bonneville Shoreline Link

1000 West Trail

GOLF DIVISION HIGHLIGHT

SNAG Golf at Hillcrest Elementary

SNAG Golf at Wilson Elementary

Women's Club Seminar

WHAT IS SNAG GOLF?

SNAG® Golf ('Starting New At Golf') is a first touch program to effectively teach the game of golf to people of all ages and ability levels. SNAG® Golf offers the versatility to learn and play in almost any environment.

SNAG® contains all the elements of golf but in a modified form, making it an easy and fun way to learn and play golf. The system builds on strong fundamentals of putting, chipping, pitching and full swing to develop playing ability quickly and effectively. SNAG® incorporates developmentally appropriate equipment and instruction that will allow golf to be learned and played in non-traditional venues, such as on a soccer field, in a gym, or on the beach. The game has its own simplified rules and terminology that adds fun to the learning and playing experience.

Logan River Golf Course employees introduced SNAG golf to the After School Programs at Hillcrest and Wilson Elementary schools in January 2013.

LOGAN RIVER GOLF COURSE TOURNAMENT ROOM

A Logan River Golf Course Women's Club Seminar was held in the Tournament Room on Tuesday, January 29. Items demonstrated included water and lateral hazards; how to deal with a lost ball or a ball out of bounds; and procedures for dropping a ball when it is unplayable. Approximately 25 women were in attendance.

The Tournament Room seats up to 160 people and is equipped with all the amenities to house your event or corporate activity. For more information on options and pricing contact Jeff John or Erik Skinner at the Logan River Golf Course Pro Shop at (435) 750-0123.

PARKS DIVISION HIGHLIGHT

PLACES TO TAKE YOUR DOG WITHIN THE LOGAN CITY PARKS SYSTEM

Dogs are allowed off leash at Harris Nature Park and Preserve and Rendezvous Park. Dogs are allowed on leash on the connecting sidewalk through Sumac and River Hollow Parks, the walkway loop in Stewart Nature Park, and on the walkways in Hyrum Gibbons Mt. Logan Park. Dogs are not allowed anywhere else in these parks. Dog owners must clean up any and all dog feces left by their dogs. Clean up bags are available at doggie stations near the entrances of these park areas. Dogs are allowed on leash on all designated trails. Logan Parks and Recreation Department Urban Trail Guide is available on our website at http://www.loganutah.org/parks_and_rec/

DID YOU KNOW?

The Cache Humane Society is in the process of building an off leash dog park at 2370 West 200 North in Logan. Build parties are held regularly, and those dates are announced on their Facebook page. This park should be up and running soon. For more information contact the Cache Humane Society (435) 792-3920.

PUBLIC INPUT MEETING

Logan River Golf Course Tournament Room
Thursday, March 28, 2013
6:30-8:30 pm

Meeting purpose: to receive public input regarding Logan City parks and trails.

ZOO DIVISION HIGHLIGHT

Willow Park Zoo Foundation

On February 1, 2013 the Willow Park Zoo officially began operating under the Willow Park Zoo Foundation — a nonprofit group created to take over the Zoo after the City of Logan divested the program from the Parks and Recreation Department.

Logan City retained ownership of the zoo property, buildings and adjacent Wild life Learning Center and will lease the space to the Foundation.

Ownership of the animals, personal property, equipment, and tools were transferred to the Willow Park Zoo Foundation.

Logan City will maintain the parking lot, trees and the exterior grounds of the facility, along with mowing some of the turf inside. The foundation will be responsible for maintaining the interior of the facility, as well as all exhibits.

Rod Wilhelm

Previous Zoo Curator

Responsible for animal collection and care, exhibits, buildings and grounds

Troy Cooper

New Zoo Curator

Responsible for animal collection and care, exhibits, buildings and grounds

Wolf Totem Ambassadors Visit

Bald Eagle Training

RECREATION DIVISION HIGHLIGHT

New Recreation Center Signs

Drop Off/Pick Up Entrance

Sports Complex Infield #4

LOGAN COMMUNITY RECREATION CENTER

- All of the information, rules and directional signs within the Logan Community Recreation Center have been replaced with a new look and updated with current information.
- Work has been done on the steps from the north parking lot leading to the walkway in front of the Recreation Center front doors. All the steps were extended, a step and handrails were added, and a parking stall was blocked off in order to open entrance to the steps. A crosswalk was also painted near the drop off/pick up entrance for a safe pedestrian crossing location.

WILLOW PARK SPORTS COMPLEX

- In order to more easily facilitate softball games during wet weather, the #4 Infield at the Willow Park Sports Complex was replaced. The old infield material was stripped away and new drainage was installed beneath a new, faster drying infield material.

CHILDHOOD MEMORIES PROJECT NOTES

Darrell Johnson

He remembers playing softball at the Quad and the City Departments would play against each other. Parks and Recreation usually won! It was just for fun and it was not about winning. He remembers one time a girl was about to bat; there were two outs, the bases were loaded, and she hit a line drive to win the game. Other memories include:

- At Central Park there was a tire that you could jump in and it would swing around
- The old style merry-go-round
- When the Recreation Center opened and the indoor track was a big deal
- His wife grew up in the house where the Logan Community Recreation Center is now located
- Went to lots of family reunions at Willow Park
- Ice skating with his grandchildren at Merlin Olsen Central Park
- Going fishing at 1st Dam
- In the 1950's attending the annual fish scramble, where they would flood where the ice skating rink goes now, and they would fish with their hands. They used grasshoppers as bait
- Referring to the Central Park old ice rink building - "You had to go outside to change your mind because the building was so small"

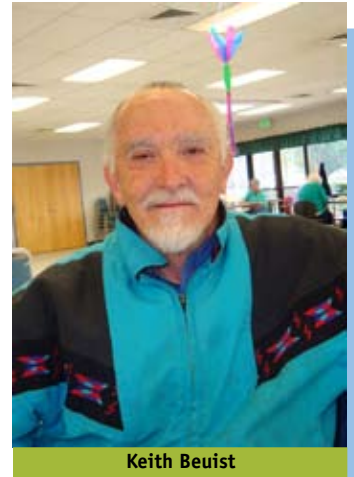

Darrell Johnson

Craig Johnson (not pictured)

Memories include:

- Spent a lot of time at the fairgrounds and the rodeo
- Would look for money under the bleachers and would find a couple bucks
- There used to be horse races
- They would throw kids in the canal at Willow Park in the 1960's
- There would be crafts at the Logan High School for recreational activities
- Hand fishing in the creek
- Reunions at Adams Park- they turned on the sprinklers and had water fights

Keith Beuist

Keith Beuist

Memories of Central Park include:

- Playing on the swing set (1961)
- Falling down a lot while ice skating
- Manager of the ice rink (Joe Friddley) always told them to behave
- Wading in the creek

Dixie Clark

Memories include:

- Lots of ice skating at Central Park
- Wading in the creek at Central park
- Their family always had passes to the Logan Community Recreation Center
- Tabernacle did an annual Easter Egg Hunt
- Playing racquetball and basketball
- Watching kids play Jr. Jazz Youth Basketball (1978-1983)

Dixie Clark

CHILDHOOD MEMORIES PROJECT NOTES

James Norton

James Norton

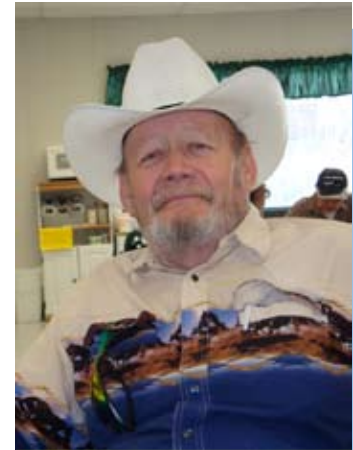

Memories include:

- Pushing his granddaughter around the Willow Park Zoo
- Watching fireworks at Willow Park

Bob Swartz

Memories include:

- Kick the can, hopscotch, double dutch, jacks, spin the bottle, and riding his bike in the park
- Running on a round barrel made of metal without falling off
- Loving the monkey bars; always tried to do pull ups
- Going fishing a lot
- Costing \$2.50 for a fishing license

Bob Swartz

Henny Verhoef

Henny Verhoef

Memories include:

- Growing up in Holland
- Helped his dad in underground in 1940
- Watching the planes dog fight from his roof top. when a plane went down he would get on his bike and try to help find the pilot
- Waking up each morning and saying "we made it another day"
- He was sponsored by a local family in 1953
- The family he lived with founded the Pumpkin Walk

Norm Goings

Memories include:

- Growing up in Ohio
- The second school got out, off came the shoes for the entire summer
- Spending most of the summer fishing
- Living on a hill and during the winter time the Fire Department would close off the road and put water on it creating a half mile long sledding hill
- Sledding by being pulled behind the bumpers of cars to end of town

Norm Goings

Kermit Herd

Kermit Herd

Memories include:

- Unpaid parking ticket resulting in being thrown in jail. Cost \$25 to get out
- Came here for a visit and has been here since

VOLUNTEER THANK YOU

THANK YOU FOR THE MANY VOLUNTEER HOURS DONATED

SKYLOR POND CLEANUP

For the 2nd year in a row, volunteers from Wal-Mart, USU Water Quality Extension, and the Utah Division of Wildlife Resources participated in a service project just prior to the Bear River Celebration. On Saturday, June 1, volunteers helped clean out Skylor Pond to improve the pond and enhance fishing conditions. They removed 4 pickup loads and 6 large garbage cans of fallen branches, algae, and garbage.

CEMETERY MEMORIAL DAY CLEANUP

- 65+ volunteers
- 177 hours

Volunteers raked up pine needles, pine cones, and trimmed grass around headstones as well as cleaned up dead flowers after the Memorial Day holiday.

GOLF COURSE GOOSE ROUND UP

- 12 volunteers
- 25.5 hours

Volunteers helped in the annual Goose Round Up (relocating the geese) and scraped wood signs that will soon be repainted.

HARRIS NATURE PARK DYERS WOAD CUTTING

- 72 volunteers
- 145 hours

Volunteers removed seeds from the invasive Dyers Woad from the mouth of Dry Canyon to help prevent the spread of this non-native weed.

FIRST DAM LITTER REMOVAL

- 10 volunteers
- 20 hours

Volunteers worked to remove garbage from the water and west bank at First Dam.

Skylor Pond Cleanup

Cemetery Memorial Day Cleanup

Golf Course Goose Round Up
