| 42 | Im at the ball diamond 2-3 times a week durring ball season and on the fence right as you go in is a sign no dogs allowed but yet every time i go down there there are people with dogs last year there was a guy whos dog craped and just left it and was very defensive when confronted i feel it should be handled better by those who work at the field umpes etc...could help out. I also think that logan could use another outdoor pool noth of town. Durring the summer its so crowded. I also think they should keep it open longer durring the season if its still warm. Extend the working hours. I would also like to see maybe some fire pits at the parks to use for hot dog roasting tin foil dinners maybe even use a dutch oven. | Nov 1, 2011 1:02 PM  |

| 193 | I would love to get more info in the mail about Youth Rec Programs. Woodruff doesn't distribute anything and sometimes by the time I hear about signups by word of mouth, it is too late to sign up. I know in other cities they have signs by the schools or rec center saying it is time to sign up for certain sports. That would be helpful since we don't take the paper. | Sep 15, 2011 12:23 PM |

| 199 | I'd really like to see the River-Walk trail expanded. We walk the trail two times per week, and hte foot traffic is getting somewhat crowded. Expanding the trail would give us more room to walk as a community. (Please Note: this is our favorite park in Logan.)   | Sep 13, 2011 9:49 AM  |

I know there is one down by the golf course but it would be really nice if it were lengthened or addition trails were added. P.S I love the water aerobics classes offered in the summer at the Aquatic Center and I am grateful the community has the aquatic.
