GOALS & OBJECTIVES

The goals and objectives of the 2005-10 Master Plan are inseparably connected to the mission, core purpose, and vision of the City.

■ A. Mission Statement

The mission of the City of Logan is *"to sustain and enhance the quality of life for the citizens of Logan.* The vision and mission of the Parks and Recreation Department reflect the goals and objectives of the City at large.

The vision of the Logan Parks and Recreation Department is *"Creating community through people, parks, and programs"*. The Parks and Recreation Department has long established itself as a leader in the delivery of public services and an advocate for open space and natural resources.

Basketball clinics at USU.

The mission of the Logan Parks and Recreation Department is *"to serve the leisure and recreational needs of the community."* We believe in creating quality life-long experiences for men, women, and children.

■ B. Recreation Department Objectives

- Measure critical performance factors including citizen satisfaction of services, management of resources, safety in delivering services and maintaining facilities, and advocacy for citizen leisure and recreation.
- Efficiently and effectively manage the City's park and open space resources.
- Offer recreational services that meet citizen need and balance needs with available resources.
- Cultivate and develop resources for the delivery and sustainment of public services and facilities.
- Achieve accreditation from the Commission for Accreditation of Parks and Recreation Agencies.
- Promote active living for all residents of Logan.

■ C. Master Plan Goals

- Engage and seek direction through the public process.
- Provide leadership to help synthesize public need into a manageable plan.
- Produce a guiding plan for decision-makers to utilize in meeting the park, recreation, trails, and open space needs of the citizens of Logan.
- Acknowledge the event horizon for this plan and prepare for the next update in 2010.
