

SCOPE OF WORK
TRAFFIC IMPACT STUDY
WOODMOORE POINTE SUBDIVISION
October 9, 2018

The City of Logan is seeking the services of a professional engineer experienced in traffic studies and analysis to analyze and prepare a traffic impact study for existing streets and intersections in Logan from the following municipalities, agent and developments:

1. City of Logan
2. Cache County/CMPO
3. Parcel owners of property with Tax Identification Number 03-005-0003
4. UDOT
5. Rose Hill P.U.D.
6. The Springs at Logan River Subdivision
7. Logan River Mobile Home Park
8. Spring Creek Mobile Home Subdivision
9. Aspen Park Mobile Home Subdivision
10. Adjacent Properties

This development is located within, near, or receives traffic from the above-mentioned municipalities, properties, and institutions and will be connected by 1800 South and 1100 West roads. 1000 West (SR-252) will be the main north/south collector and access for the current and future development. The study shall address impacts to intersections and streets located within, near or receiving traffic from the above-mentioned municipalities, properties, and institutions. The study area shall consist of the area from approximately 2000 to 1600 South between approximately 1500 to 1000 West (EXHIBIT A- Figure 1).

The City will provide traffic counts at select intersections in the study area including 1000 West (SR-252) at 1800 South. The City will place traffic counters at additional intersections or roads at consultant's request. These counters will provide speed, vehicle counts (both total and peak), and vehicle type.

This study shall address impacts to roads within the study area and associated intersections from a new 150-unit single family attached housing subdivision. This study shall also specifically analyze and address impacts at the 1800 South 1000 W (SR-252) intersection.

The Traffic Impact Study shall comply with all requirements of a Level III Traffic Impact Study per Utah Department of Transportation Traffic Impact Study Requirements. All references to Region Traffic Engineer shall be replaced with Logan City Engineer.

Submitted with this scope of work are drawings showing the proposed site developments and accesses to existing City streets and the preliminary plat (EXHIBIT A- Figures 2 & 3).

The City can place traffic counters at intersections or roads at consultant's request and direction. If weather conditions will not allow placement of counters, consultant will be required to conduct manual counts. These counters will provide speed, vehicle counts (both total and peak), and vehicle type. Any hand counts, or pedestrian/bicycle counts needed, will be the responsibility of the consultant.

Proposals must include proof of ability to comply with insurance limits as required by documents in EXHIBIT B.

Proposals must include a Claim of Business Confidentiality shown as EXHIBIT C. The Government Records Access and Management Act (GRAMA), Utah Code Ann., Subsection 63G-2- 305, provides in part that certain records are protected if properly classified.

Proposers are responsible for determining which pages, if any, should be classified as protected under a Claim of Business Confidentiality, and are responsible for taking appropriate action to do so.

To protect information under a Claim of Business Confidentiality, the Proposer must:

- 1) Provide a written Claim of Business Confidentiality at the time the information (proposal) is provided to Logan City; and
- 2) Include a concise statement of reasons supporting the Claim of Business Confidentiality (Subsection 63G-2-305).

To ensure the information is properly protected, the Owner asks the Proposer to clearly identify in the body of the proposal (by clearly marking the applicable pages as confidential) any specific information for which a Proposer claims business confidentiality protection as "PROTECTED". If no statement is provided, it is assumed that the information is not protected.

Proposals must include acceptance of or requested changes to the Standard Professional Services Agreement included as Exhibit D.

Questions pertaining to this request for proposals shall be submitted by email to the Logan Assistant City Engineer, Tom Dickinson at tom.dickinson@loganutah.org. **No questions will be received after 5:00 p.m. on Wednesday, October 17, 2018. Questions with answers will be posted daily at http://www.loganutah.org/bid_detail_T11_R119.php.**

Three (3) copies of the proposal shall be submitted to the City by 5:00 p.m. on Friday, October 19, 2018 to Lori Mathys, Logan Purchasing Manager, 290 North 100 West Logan, Utah 84321.

Traffic impact study shall be completed by November 21, 2018. Consultant shall provide 3 bound copies of the final study.

Consultant shall comply with all Utah Department of Transportation and local municipality work in the right of way permits as applicable.

CITY OF LOGAN
INSURANCE AND BOND REQUIREMENTS

FOR: WOODMOORE POINTE SUBDIVISION
Traffic Impact Study
October 2018

The Contracting party shall procure and maintain for the duration of the contract insurance and bonds against claims or liability which arises out of or in connection with the performance of the work hereunder by the Contracting party, his agents, representatives, employees or subcontractors. The cost of such insurance and bonds shall be included in the Contracting party's bid or proposal.

A. MINIMUM LIMITS OF INSURANCE

Contracting party shall maintain limits not less than:

1. **GENERAL LIABILITY:** \$1,000,000 combined single limit per occurrence, personal injury and property damage, \$2,000,000 aggregate. Broad Form Commercial General Liability is required. (ISO 1993 or better) to include Products - Comp/OP aggregate of \$2,000,000. Limits to apply to this project individually.
2. **PROFESSIONAL LIABILITY:** \$2,000,000 per occurrence.
3. **AUTOMOBILE LIABILITY:** \$2,000,000 per occurrence. "Any Auto" coverage is required.
4. **WORKERS' COMPENSATION and EMPLOYERS LIABILITY:** Workers' Compensation statutory limits as required by the Workers Compensation Act of the State of Utah and Employers Liability limits at a minimum of \$100,000 per occurrence.
5. **PAYMENT and PERFORMANCE BONDS:** Not applicable to this project.

B. ACCEPTABILITY OF INSURERS

Insurance and bonds are to be placed with insurers admitted in the State of Utah with an A. M. Best rating of not less than A-: IX, and in the limits as listed in this document, unless approved by the City's Risk Manager, or his designee, **a minimum of five (5) business days prior to bid or proposal deadline.**

C. DEDUCTIBLES AND SELF-INSURED RETENTIONS

Any deductibles or self-insured retention exceeding 5% of the policy limits must be declared to and approved by Logan City. At the option of Logan City, either (1) the insurer may be required to reduce or eliminate such deductibles or self-insured retention as respects Logan City, its officers, officials and employees; or (2) the

Contracting party may be required to procure a bond guaranteeing payment of losses and related investigations, claim distribution and defense expenses.

D. NOTICE OF INCIDENT OR ACCIDENT

Contracting party shall agree to promptly disclose to Logan City, all incidents or occurrences of accident, injury, and/or property damage covered by the insurance policy or policies.

E. OTHER INSURANCE PROVISIONS

The policies are to contain, or be endorsed to contain, the following provisions:

I. General Liability and Automobile Liability Coverages

A. Logan City, its officers, officials, employees and volunteers are to be covered as additional insureds as respects: liability arising out of activities performed by or on behalf of the contracting party; products and completed operations of the Contracting party; premises owned, leased, hired or borrowed by the Contracting party. The coverage shall contain no special limitations on the scope of protection afforded to Logan City, its officers, officials, employees or volunteers.

B. The Contracting party's insurance coverage shall be a primary insurance as respects to Logan City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by Logan City, its officers, officials, employees or volunteers shall be in excess of the Contracting party's insurance and shall not contribute with it.

C. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to Logan City, its officers, officials, employees or volunteers.

D. The Contracting party's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respects to the limits of the insurer's liability.

F. VERIFICATION OF COVERAGE

Contracting party shall furnish Logan City with certificates of insurance and with original endorsements effecting coverage required by this clause. The certificates and endorsements are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be on forms acceptable to Logan City before work commences. Logan City reserves the right to require complete, certified copies of all required insurance policies, with all endorsements, at any time.

G. SUBCONTRACTORS

Contracting party shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for

subcontractors shall be subject to all of the requirements stated herein.

EXHIBIT C

CLAIM OF BUSINESS CONFIDENTIALITY

Any person who provides a proposal (or information contained in any record) that he or she believes should be protected under UCA Subsection 63G-2-305 (1 - 4) shall provide with the proposal a written claim of business confidentiality and a concise statement of reasons supporting the claim of business confidentiality. The guidelines used by Logan City to grant business confidentiality are as follows:

- Trade secrets – if the submitted information includes a formula, pattern, compilation, program, device, method, technique, or process, that has actual or potential value by its non-disclosure to the general public, and is the subject of efforts that are reasonable under the circumstances to maintain its secrecy;
- Commercial information or non-individual financial information- if the submitted information contains commercial information or non-individual financial information the disclosure of which could reasonably be expected to result in unfair competitive injury to the person submitting the information, or would impair the ability of Logan City to obtain necessary information in the future, and the person submitting the information has a greater interest in prohibiting access than the public in obtaining access.

I, _____ do hereby claim that the pages identified below, which are contained within this submission as required by Logan City are confidential.

CITY OF LOGAN

Standard Contract Terms and Conditions for Professional Services Project: Traffic Impact Study for Woodmoore Pointe Subdivision

1. **PARTIES:** This contract is made and entered into as of the _____ day of _____, 2018, by and between the City of Logan, a Utah municipal corporation, hereinafter referred to as the “CITY”, and _____, hereinafter referred to as “ENGINEER”.
2. **CONTRACT DOCUMENTS:** This contract incorporates by reference the Request for Proposal, which includes Insurance and Bond Requirements, dated _____, and the Proposal dated _____.
3. **AUTHORITY:** Provisions of this contract (“Contract”) are pursuant to the authority set forth in Logan Municipal Code 3.04, and related statutes which permit the CITY to purchase certain specified services, and other approved purchases for the CITY.
4. **CONTRACT JURISDICTION, CHOICE OF LAW, AND VENUE:** The provisions of this Contract shall be governed by the laws of the State of Utah. The parties will submit to the jurisdiction of the courts of the State of Utah for any dispute arising out of this Contract or the breach thereof. Venue shall be in Logan, in the First Judicial District Court for Cache County.
5. **LAWS AND REGULATIONS:** The person or entity contracting with the CITY under this Contract (“ENGINEER”) and any and all supplies, services, equipment, and construction furnished under this Contract will comply fully with all applicable Federal, and State, and local laws, codes, rules, regulations, and ordinances, including applicable licensure and certification requirements.
6. **RECORDS ADMINISTRATION:** The ENGINEER shall maintain, or supervise the maintenance of, all records necessary to properly account for the payments made to the ENGINEER for costs authorized by this Contract. These records shall be retained by the ENGINEER for at least four years after the Contract terminates, or until all audits initiated within the four years, have been completed, whichever is later. The ENGINEER agrees to allow State and Federal auditors, and CITY staff, access to all the records to this Contract, for audit and inspection, and monitoring of services. Such access will be during normal business hours, or by appointment.
7. **TIME:** The ENGINEER shall complete the scope of services work in a manner to achieve any milestones identified in the procurement documents related to this Contract and the attachments to this Contract. The full scope of services work shall be completed by any applicable deadline stated in the solicitation.
8. **TIME IS OF THE ESSENCE:** For all work and services under this Contract, time is of the essence and ENGINEER shall be liable for all damages to the CITY and anyone for whom the CITY may be liable, as a result of the failure to timely complete the scope of work required under this Contract.
9. **PAYMENT:**

9.1 Payments are normally made within 30 days following the date the order is delivered or the date a correct invoice is received, whichever is later. After 60 days from the date a correct invoice is received by the appropriate City official, the ENGINEER may assess interest on overdue, undisputed account charges up to a maximum of the interest rate paid by the IRS on taxpayer refund claims, plus two percent, computed similarly as

the requirements of Utah Code Annotated Section 15-6-3. The IRS interest rate is adjusted quarterly, and is applied on a per annum basis, on the invoice amount that is overdue.

9.2 The contract total may be changed only by written amendment executed by authorized personnel of the parties. Unless otherwise stated in the Contract, all payments to the ENGINEER will be remitted by mail or electronic funds transfer.

9.3 The acceptance by the ENGINEER of final payment without a written protest filed with the CITY within ten (10) working days of receipt of final payment shall release the CITY from all claims and all liability to the ENGINEER for fees and costs of the performance of the services pursuant to this Contract.

10. PROMPT PAYMENT DISCOUNT: ENGINEER may quote a prompt payment discount based upon early payment; however, discounts offered for less than 30 days will not be considered in making the award. ENGINEER shall list Payment Discount Terms on invoices. The date from which discount time is calculated will be the date a correct invoice is received or receipt of shipment, whichever is later; except that if testing is performed, the date will be the date of acceptance of the merchandise.

11. CHANGES IN SCOPE: Any changes in the scope of the services to be performed under this Contract shall be in the form of a written amendment to this Contract, mutually agreed to and signed by duly authorized representatives of both parties, specifying any such changes, fee adjustments, any adjustment in time of performance, or any other significant factors arising from the changes in the scope of services.

12. DOCUMENT OWNERSHIP: ENGINEER agrees that any work/services and all Deliverables prepared for the CITY, to the extent to which it is eligible under copyright law in any county, shall be deemed a work made for hire, such that all right, title and interest in the work and Deliverables reside with the CITY. To the extent any work or Deliverable is deemed not to be, for any reason whatsoever, work made for hire, ENGINEER agrees to assign and hereby assigns all right, title, and interest, including but not limited to, copyright, patent, trademark, and trade secret, to such work and Deliverables, and all extensions and renewals thereof, to the CITY. ENGINEER further agrees to provide all assistance reasonably requested by the CITY in the establishment, preservation and enforcement of its rights in such work and deliverables, or subsequent amendments or modifications to such work and deliverables, without any additional compensation to ENGINEER. ENGINEER agrees to waive, and hereby, to the extent permissible, waives, all rights relating to such work and deliverables, or subsequent amendments or modifications to such work and deliverables, including without limitation any and all rights of identification of authorship and any and all rights of approval, restriction or limitation on use.

13. CERTIFY REGISTRATION AND USE OF EMPLOYMENT "STATUS VERIFICATION SYSTEM": The Status Verification System, also referred to as "E-verify," only applies to contracts issued through a Request for Proposal process, and to sole sources that are included within a Request for Proposal. It does not apply to Invitation to Bids nor to the Multi-Step Process.

13.1 Status Verification System

(1) ENGINEER certifies as to its own entity, under penalty of perjury, that the named ENGINEER has registered and is participating in the Status Verification System to verify the work eligibility status of the ENGINEER's new employees that are employed in the State of Utah in accordance with applicable immigration laws including Utah Code Ann. Section 63G-12-302.

(2) The ENGINEER shall require that the following provision be placed in each subcontract at every tier: "The subcontractor shall certify to the main (prime or general) contractor by affidavit that the subcontractor has verified through the Status Verification System the employment status of each new employee of the respective subcontractor, all in accordance with applicable immigration laws including Utah Code Ann. Section 63G-12-302 and to comply with all applicable employee status verification laws. Such affidavit must be provided prior to the notice to proceed for the subcontractor to perform the work."

(3) The CITY will not consider a proposal for award, nor will it make any award, where there has not been compliance with this Section.

(4) Manually or electronically signing the Proposal is deemed the ENGINEER's certification of compliance with all provisions of this employment status verification certification required by all applicable status verification laws, including Utah Code Ann. Section 63G-12-302.

13.2 Indemnity Clause for Status Verification System

ENGINEER (includes, but is not limited to any Engineer or Consultant) shall protect, indemnify and hold harmless, the CITY and its officers, employees, agents, representatives and anyone that the CITY may be liable for, against any claim, damages or liability arising out of or resulting from violations of the above Status Verification System Section whether violated by employees, agents, or contractors of the following: (a) ENGINEER; (b) ENGINEER's subcontractor or subconsultant at any tier; and/or (c) any entity or person for whom the ENGINEER or Subcontractor may be liable.

14. CONFLICT OF INTEREST: ENGINEER represents that none of its officers or employees are officers or employees of the CITY, unless disclosure has been made. ENGINEER also represents that it has no conflict of interest in performing the services for the CITY under this Contract, unless such conflict of interest has been disclosed to the CITY and approval to proceed, notwithstanding the conflict, has been obtained from the CITY in writing.

15. ENGINEER AN INDEPENDENT CONTRACTOR: The ENGINEER shall be an independent contractor, and as such, shall have no authorization, express or implied, to bind the CITY to any agreements, settlements, liability, or understanding whatsoever, and agrees not to perform any acts as agent for the CITY, except as herein expressly set forth. Compensation stated herein shall be the total amount payable to the ENGINEER by the CITY. The ENGINEER shall be responsible for the payment of all income tax and Social Security amounts due as a result of payments received from the CITY for these Contract services. Persons employed by the CITY and acting under the direction of the CITY shall not be deemed to be employees or agents of the ENGINEER.

16. INDEMNITY CLAUSE: The ENGINEER agrees to indemnify, save harmless, and release the CITY, and all its officers, agents, volunteers, and employees from and against any and all claims, loss, damages, injury, liability, suits, and proceedings arising out of the performance of this Contract which are caused in whole or in part by the wrongful acts or negligence of (a) the ENGINEER, (b) the ENGINEER's officers, agents, volunteers, or employees, (c) the ENGINEER's subcontractors or subconsultants at any tier, or (d) anyone for whom ENGINEER may be liable but not for claims arising from the CITY's sole negligence. The parties agree that if there are any Limitations of the ENGINEER's Liability, including a limitation of liability for anyone for whom the ENGINEER is responsible, such Limitations of Liability will not apply to injuries to persons, including death, or to damages to property.

17. EMPLOYMENT PRACTICES CLAUSE: The ENGINEER agrees to abide by the provisions of Title VI and VII of the Civil Rights Act of 1964 (42 USC 2000e) which prohibits discrimination against any employee or applicant for employment or any applicant or recipient of services, on the basis of race, religion, color, or national origin; and further agrees to abide by Executive Order No. 11246, as amended, which prohibits discrimination on the basis of sex; 45 CFR 90 which prohibits discrimination on the basis of age; and Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990 which prohibits discrimination on the basis of disabilities. Also, the ENGINEER agrees to abide by Utah's Executive Order, dated December 13, 2006, which prohibits sexual harassment in the work place. ENGINEER also agrees to abide by any laws and policies of the CITY regarding any of the above mentioned prohibitions in this paragraph.

18. PERFORMANCE EVALUATION: The CITY may conduct a performance evaluation of the ENGINEER's services, including specific personnel of the ENGINEER. References in the Contract to ENGINEER shall include ENGINEER, ENGINEER's subcontractors, or subconsultants at any tier, if any. Results of any evaluation will be made available to the ENGINEER.

19. WAIVERS: No waiver by the CITY or ENGINEER of any default shall constitute a waiver of the same default at a later time or of a different default.

20. SEPARABILITY CLAUSE: A declaration by any court, or any other binding legal authority, that any provision of this Contract is illegal and void shall not affect the legality and enforceability of any other provision of this Contract, unless the provisions are mutually dependent.

21. RENEGOTIATION OR MODIFICATIONS: This Contract may be amended, modified, or supplemented only by written amendment to this Contract, executed by authorized persons of the parties hereto, and attached to the original signed copy of this Contract. Automatic renewals will not apply to this Contract.

22. SUSPENSION/DEBARMENT: The ENGINEER certifies that neither it nor its principals are presently or have ever been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (Contract), by any governmental department or agency in the United States, including any federal, state or local agency. If the ENGINEER cannot certify this statement, attach a written explanation for review by the CITY. The ENGINEER must notify the Purchasing Agent within 30 days if suspended or debarred by any governmental entity during the Contract period.

23. TERMINATION:

23.1 Unless otherwise stated in the Additional Terms and Conditions of the CITY, if applicable, this Contract may be terminated, with cause by either party, in advance of the specified termination date, upon written notice being given by the other party. The party in violation will be given ten (10) working days after notification to correct and cease the violations, after which this Contract may be terminated for cause. This Contract may be terminated without cause, in advance of the specified expiration date, by either party, upon sixty (60) days prior written notice being given to the other party. On termination of this Contract, all accounts and payments will be processed according to the financial arrangements set forth herein for approved services rendered to date of termination.

23.2 In the event of such termination, the ENGINEER shall be compensated for services properly performed under this Contract up to the effective date of the notice of termination. The ENGINEER agrees that in the event of such termination for cause or without cause, ENGINEER's sole remedy and monetary recovery from the CITY is limited to full payment for all work properly performed as authorized under this Contract up to the date of termination as well as any reasonable monies owed as a result of the ENGINEER having to terminate contracts necessarily and appropriately entered into by the ENGINEER pursuant to this Contract. ENGINEER further acknowledges that in the event of such termination, all work product, which includes but is not limited to all manuals, forms, contracts, schedules, reports, and any and all documents produced by ENGINEER under this Contract up to the date of termination are the property of the CITY and shall be promptly delivered to the CITY.

24. INSURANCE:

24.1 To protect against liability, loss and/or expense in connection with the performance of services described under this Contract, the ENGINEER shall obtain and maintain in force during the entire period of this Contract without interruption, at its own expense, insurance as listed below from insurance companies authorized to do business in the State of Utah and with an A.M. Best rating as approved by the CITY Risk Manager.

24.2 The following are minimum coverages that may be supplemented by additional requirements contained in the solicitation for this Contract or provided in an Attachment to this Contract:

(1) Worker's Compensation Insurance and Employers' Liability Insurance. Worker's compensation insurance shall cover full liability under the worker's compensation laws of the jurisdiction in which the service is performed at the statutory limits required by said jurisdiction.

- (2) Professional liability insurance in the amount as described in the solicitation for this Contract, if applicable.
- (3) Any other insurance described in the solicitation for this Contract, if applicable.

24.3 Any type of insurance or any increase of limits of liability not described in this Contract which the ENGINEER requires for its own protection or on account of any statute, rule, or regulation shall be its own responsibility, and shall be provided at ENGINEER's own expense.

24.4 The carrying of insurance required by this Contract shall not be interpreted as relieving the ENGINEER of any other responsibility or liability under this Contract or any applicable law, statute, rule, regulation, or order.

- 25. STANDARD OF CARE:** The services of ENGINEER and its subcontractors and subconsultants at any tier, if any, shall be performed in accordance with the standard of care exercised by licensed members of their respective professions having substantial experience providing similar services which similarities include the type, magnitude and complexity of the services that are the subject of this Contract. The ENGINEER shall be liable to the CITY for claims, liabilities, additional burdens, penalties, damages or third party claims (i.e. another Engineer's claim against the CITY), to the extent caused by wrongful acts, errors or omissions that do not meet this standard of care.
- 26. CITY OF LOGAN REVIEWS, LIMITATIONS:** The right of the CITY to perform plan checks, plan reviews, other reviews and/or comment upon the services of the ENGINEER, as well as any approval by the CITY, shall not be construed as relieving the Contractor from its professional and legal responsibility for services required under this Contract. No review by the CITY or any entity/user, approval or acceptance, or payment for any of the services required under this Contract shall be construed to operate as a waiver by the CITY of any right under this Contract or of any cause of action arising out of the performance or nonperformance of this Contract, and the ENGINEER shall be and remain liable to the CITY in accordance with applicable law for all damages to the CITY caused by the wrongful acts, errors and/or omissions of the ENGINEER or its subcontractors or subconsultants at any tier, if any.
- 27. NONAPPROPRIATION OF FUNDS:** The ENGINEER acknowledges that the CITY cannot contract for the payment of funds not yet appropriated by the City Council. If the Council does not appropriate funds for paying the CITY's obligations on this Contract, or if funding to the CITY is reduced due to an order by the Mayor, or is required by State law, or if Federal funding (when applicable) is not provided, the CITY may terminate this Contract or proportionately reduce the services and purchase obligations and the amount due from the CITY upon 30 days' written notice to ENGINEER. If this Contract is terminated, or services and purchase obligations are reduced due to nonappropriation of funds or reduction in funding, as described in the preceding sentence, the CITY will pay ENGINEER for services properly performed, and will reimburse ENGINEER for expenses incurred, as authorized under this Contract, through the date of cancellation or reduction, and this payment shall be ENGINEER's sole remedy, and the CITY will not be liable for any future commitments, penalties, or liquidated damages.
- 28. SALES TAX EXEMPTION:** The CITY's sales and use tax exemption number is 12238772-002-STC. The tangible personal property or services being purchased are being paid from CITY funds and used in the exercise of that entity's essential functions.
- 29. PUBLIC INFORMATION:** ENGINEER agrees that this Contract, related sales orders, and invoices shall be public documents, and shall be available for distribution. ENGINEER gives the CITY express permission to make copies of this Contract, related sales orders, and invoices in accordance with the State of Utah Government Records Access and Management Act (GRAMA). ENGINEER also agrees that the ENGINEER's response to the solicitation, if applicable, will be a public document, and copies may be given to the public under GRAMA laws. This permission to make copies as noted will take precedence over any statements of confidentiality, proprietary information, copyright information, or similar notation.

- 30. PATENTS, COPYRIGHTS, ETC.:** The ENGINEER will release, indemnify and hold the CITY, its officers, agents and employees harmless from liability of any kind or nature, including the ENGINEER's use of any copyrighted or un-copyrighted composition, secret process, patented or un-patented invention, article or appliance furnished or used in the performance of this Contract.
- 31. ASSIGNMENT/SUBCONTRACT:** ENGINEER will not assign, sell, transfer, subcontract or sublet rights, or delegate responsibilities under this Contract, in whole or in part, without the prior written approval of the CITY.
- 32. DEFAULT AND REMEDIES:**
- 32.1 Any of the following events will constitute cause for the CITY to declare ENGINEER in default of this Contract:
- (1) Nonperformance of contractual requirements; or
 - (2) A material breach of any term or condition of this Contract.
- 32.2 Should ENGINEER be in default under any of the provisions under Subsection 32.1 above, the CITY will issue a written notice of default providing a ten (10) day period in which ENGINEER will have an opportunity to cure. Time allowed for cure will not diminish or eliminate ENGINEER's liability for damages. If the default remains after ENGINEER has been provided the opportunity to cure, the CITY may do one or more of the following: (1) Exercise any remedy provided by law; (2) Terminate this Contract and any related contracts or portions thereof; (3) Impose liquidated damages, if liquidated damages are listed in the Contract; or (4) Suspend ENGINEER from receiving future solicitations.
- 33. FORCE MAJEURE:** Neither party to this Contract will be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party's reasonable control. The CITY may terminate this Contract after determining such delay or default will reasonably prevent successful performance of this Contract.
- 34. PROCUREMENT ETHICS:** The ENGINEER understands that a person who is interested in any way in the sale of any supplies, services, construction, or insurance to the CITY is violating the law if the person gives or offers to give any compensation, gratuity, contribution, loan or reward, or any promise thereof to any person acting as a procurement officer on behalf of the CITY, or who in any official capacity participates in the procurement of such supplies, services, construction, or insurance, whether it is given for their own use or for the use or benefit of any other person or organization.
- 35. CONFLICT OF TERMS:** In order for any terms and conditions of the ENGINEER to apply to this Contract, they must be in writing and attached to this Contract. No other terms and conditions of the ENGINEER will apply to this Contract, including terms listed or referenced on an ENGINEER's website, terms listed in an ENGINEER quotation/sales order, etc.
- 36. ENTIRE CONTRACT:** This Contract including all attachments and documents incorporated hereunder, and the related CITY solicitation documents, if any, constitutes the entire Contract between the parties with respect to the subject matter, and supersedes any and all other prior and contemporaneous agreements and understandings between the parties, whether oral or written. The terms of this Contract shall supersede any additional or conflicting terms or provisions that may be set forth or printed on the ENGINEER's work plans, cost estimate forms, receiving tickets, invoices, or any other related standard forms or documents of the ENGINEER that may subsequently be used to implement, record, or invoice services hereunder from time to time, even if such standard forms or documents have been signed or initialed by a representative of the CITY. The parties agree that the terms of this Contract shall prevail in any dispute between the terms of this Contract and the terms printed on any such standard forms or documents, and such standard forms or documents shall not be considered written amendments of this Contract.

37. DISPUTE RESOLUTION: In the event of any dispute under this Contract prior to any filing in any judicial proceedings, the parties agree to participate in good faith in the mediation of the dispute. The CITY, after consultation with the ENGINEER, may appoint an expert or panel of experts to assist in the resolution of the dispute. If the CITY appoints such an expert or panel, CITY and ENGINEER agree to cooperate in good faith in providing information and documents to the expert or panel in an effort to resolve the dispute.
